

Diwali Aayee

Diwali aayee, Diwali aayee,
Khusheeyom kee bahaara laayee,
Dhum DhaDaka Dhum, Dhum DhaDaka Dhum,
Chakree bhama haavaaee,
Isase bachanaa bhaaee.

Translation:

Diwali has arrived
Has brought lots of happiness
(Sounds of fire-crackers)
(Names of fire-crackers)
Be careful from them

Note: Diwali is a Hindu festival of lights celebrated in the Autumn. I am not sure if we have any Hindu families, but we do have some families with Indian heritage. I thought this song about celebrating with fire-crackers would be a fun addition to our concert.
